# ENGEL MB LLC

BIMTC 2026 | OVERSEAS BUYER COMPANY PROFILE

MONGOLIA
Medical Tourism • Healthcare • Trade

## COMPANY INTRODUCTION

Engel MB LLC is a Mongolia-based company focused on medical tourism coordination and cross-border business cooperation. We connect Mongolian customers seeking healthcare services in South Korea with relevant hospitals, clinics, and healthcare providers. We aim to facilitate communication, support patient-service coordination, and build sustainable partnerships between Mongolian customers and Korean healthcare organizations.

## MAIN BUSINESS AREAS

- Medical tourism and patient coordination
- Health screening and preventive care
- Specialist consultations, surgery and cancer-care coordination
- Pediatric healthcare service coordination
- Plastic surgery, dermatology and aesthetic treatments
- Korean cosmetics, skincare and healthcare-related products
- Import, distribution and online sales in Mongolia

## MARKETS & CUSTOMERS

Primary market: Mongolia
Target customers: Mongolian patients and families seeking care in South Korea; healthcare consumers; local business and distribution partners.

## EXPERIENCE WITH SOUTH KOREA

The company seeks to strengthen connections with Korean medical institutions and service providers, helping Mongolian customers explore suitable healthcare options and supporting clear communication across borders.

## B2B MEETING INTERESTS

- University and general hospitals
- Cancer-care and specialist medical centers
- Pediatric hospitals and clinics
- Plastic surgery and dermatology clinics
- Medical tourism agencies and patient-referral partners
- Wellness, healthcare and cosmetics companies
- Korean manufacturers and distributors

## COOPERATION OBJECTIVES IN KOREA

- Patient referral and medical consultation cooperation
- Health screening and treatment-service packages
- Joint marketing and promotion in Mongolia
- Long-term hospital and clinic partnership agreements
- Sourcing, distribution and trade of cosmetics, skincare and healthcare-related products

## PREFERRED B2B FORMAT

Partnership discussions, service-package development, referral cooperation, joint promotion, supplier meetings and distribution agreements across all relevant business areas.
