Medical Administrative Training and Exchange:

- In 2015, we signed a cooperation agreement with Mongolia's Ach Medical University to establish a Department of Medical Administration, which currently enrolls 48 students across the first, second, and third years.
- We are actively working to cultivate professionals who possess the competence and proper conduct required to meet modern demands. Our goal is to train experts who will lead the fields of healthcare and medical administration in Mongolia.

Study Abroad Agency Project:

- Since 2015, we have facilitated the enrollment of 70 students at Wonkwang Health Science University in South Korea.
- We have consistently provided the most affordable, flexible, and seamless services.
- We continue to actively collaborate with Wonkwang Health Science University to recruit and support international students.
- We regularly train our staff to ensure the faithful delivery of our services.
- We are also happy to provide clients with professional translation services and visa-related advice whenever needed.
