2. COMPANY INTRODUCTION

Please briefly introduce your company/organization, including your main business activities and services.

Korea Vision is an experienced medical tourism company based in Kazakhstan, with offices in Almaty and Astana and over 15 years of experience in organizing medical services abroad.

We specialize in medical tourism to South Korea and Turkey, helping patients access high-quality healthcare, advanced medical technologies, and experienced specialists.

Our services include hospital and clinic selection, doctor consultations, medical check-up arrangements, treatment coordination, medical travel planning, visa and document assistance, and patient support throughout the journey.

With over 50 partner medical institutions and more than 13,000 patients served, Korea Vision is committed to building trusted international healthcare partnerships and providing personalized solutions for patients.

6. B2B MEETING INTERESTS

Please describe the products, services, partnerships, or business opportunities you are interested in.

Korea Vision is interested in establishing long-term partnerships with leading South Korean hospitals, specialized clinics, and medical institutions across various medical fields.

We are looking for reliable partners with high standards of medical care, experienced specialists, advanced technologies, and proven clinical expertise.

Our key interests include plastic surgery, aesthetic medicine, comprehensive health check-ups, and a wide range of specialized medical services.

We aim to develop mutually beneficial partnerships, offer high-quality medical solutions to international patients, and provide access to leading Korean healthcare institutions.

We are also interested in preferential partner rates, dedicated services for international patients, and customized medical programs.

7. EXPERIENCE WITH KOREA

Have you previously conducted business with Korean companies or sent medical tourists/patients to Korea?

☐ Yes **☐ No**

If yes, please briefly describe your experience.

Korea Vision has over 15 years of experience in medical tourism and established partnerships with South Korean hospitals and medical institutions. We have extensive experience in organizing medical check-ups, consultations, diagnostics, and treatment programs for international patients in South Korea.

We continue to expand our network of trusted Korean medical partners and develop long-term cooperation.

8. COMPANY INTRODUCTION MATERIALS
