2. COMPANY INTRODUCTION

Please briefly introduce your company/organization, including your main business activities and services.

Doctor Pusan is an international medical tourism company specializing in organizing medical treatment, diagnostics, and healthcare services in South Korea for international patients.

Our main activities include: - Organizing medical examinations, diagnostics, and treatment at leading Korean hospitals and specialized clinics.

- Providing access to a wide range of medical services, including oncology, cardiology, orthopedics, neurology, dentistry, and plastic surgery.

- Arranging consultations with qualified Korean specialists and developing personalized treatment programs.

- Providing professional medical interpretation and personal patient coordination.

- Organizing airport transfers, accommodation, visa assistance, and other travel arrangements.

- Supporting patients throughout their stay in Korea, including post-treatment follow-up and communication with medical specialists.

We work closely with Korean medical institutions and focus on building long-term partnerships with hospitals and clinics.

Our mission is to make high-quality Korean healthcare accessible to international patients by providing reliable, transparent, and personalized support at every stage of their medical journey.
