6. B2B MEETING INTERESTS

Please describe the products, services, partnerships, or business opportunities you are interested in.

We are actively seeking strategic partnerships, advanced medical technologies, and collaborative business opportunities that align with Kasih Ibu Hospital Group's rapid expansion in specialized healthcare and medical tourism. Specifically, we are looking to explore joint ventures and technology transfers in robotic surgery systems, advanced minimally invasive surgical equipment, and innovative medical devices for our upcoming Bali Integrated Oncology Centre, Bali Orthopedic Centre, and pain management clinics. Additionally, we are eager to establish co-branding, clinical training, and patient exchange programs with leading South Korean healthcare institutions, medical aesthetics brands, and wellness providers to complement our partnership with JK Korea and bolster our newly developed JK Bali Aesthetic and Plastic Surgery unit. To maximize our global reach, we are also keen to connect with medical tourism agencies and travel/tourism organizations to build robust, two-way referral networks and cross-border patient destination programs between Bali and South Korea.

7. EXPERIENCE WITH KOREA

Have you previously conducted business with Korean companies or sent medical tourists/patients to Korea?

☐ Yes **☐ No**

If yes, please briefly describe your experience.

Through our strategic partnership with JK Medical Group, we have experienced firsthand the world-class expertise, technological innovation, and clinical precision that South Korean medical institutions bring to the global healthcare landscape. Collaborating with JK Korea has been instrumental in setting up our JK Bali Aesthetic and Plastic Surgery unit, allowing us to adopt highly advanced clinical protocols, elevate our service standards, and seamlessly integrate Korean operational excellence into our hospital system. This positive and productive experience has strongly reinforced our

confidence in Korean medical standards and continues to drive our enthusiasm for expanding partnerships with Korean healthcare providers, technology vendors, and medical tourism facilitators.
