BUSAN INTERNATIONAL
MEDICAL TOURISM CONVENTION 2026

2026. 11. 13. FRI ~ 11. 14. SAT
Hall 3A, Exhibition Center 1, BEXCO

MEDI x WELLNESS | Busan, where medicine and wellness coexist

Grow with BIMTC 2026!

01

Korea's largest integrated wellness & medical tourism expo

The nation's largest integrated exhibition — presenting the latest medical trends and institutions alongside wellness industry trends and hands-on programs, elevating Busan's wellness medical tourism brand on the global stage.

02

A direct channel to attract international patients

With buyers invited from 18 countries for 1:1 business consultations, the convention builds a practical network with specialist medical-tourism buyers — a foundation for attracting international patients and expanding overseas.

03

Where medicine, tourism and wellness converge

Busan — with outstanding medical infrastructure and professionals, its sea and festivals, rich tourism content and pristine nature for healing and recovery — makes the fusion of medicine, tourism and wellness real.

04

Diverse, upgraded programs for exhibitors and visitors

Beyond core B2B and B2C, we offer branding and marketing programs and the upgraded PSA-style "Biz-Meeting." Events that draw visitors and media create rich promotional opportunities in quality and scale.

Main Events 주요 행사

Exhibition 전시

Medical tourism products and services at a glance

Domestic and international medical institutions, wellness, beauty and tourism companies take part. Medical Industry, Medical Institution, Medi-Beauty and Wellness halls bring medical technology, health screening, cosmetic beauty and healing programs together.

Business Meeting 비즈니스 미팅

Real export consultations and new partners

Overseas buyers and Korean companies are pre-matched for 1:1 customized export consultations. Institutions, wellness firms and agencies meet directly to create export contracts and partnership agreements.

Academic Forum & Seminar

학술대회 및 세미나

The latest trends and shared insight across fields

Domestic and international experts in medical tourism, wellness and digital healthcare take part. Policy briefings, global case studies and future-strategy discussions give professionals practical direction.

Side Events 부대행사

Another festival full of things to see and enjoy

Wellness experiences, cultural performances and prize events make up side programs the whole family can enjoy together.

Fam Tour 팸투어

Experience Busan's medical & tourism infrastructure

Invited overseas buyers tour Busan's leading medical institutions and attractions, showcasing the appeal of Busan's wellness medical tourism.

BIMTC 2026 Participant Benefits

01

Consultations for international patients

Tailored business consultations for both buyers and exhibitors, supporting efficient meetings and opportunities to attract international patients.

02

Brand exposure & promotion

An opportunity to raise your profile in the global market.

03

Access to cutting-edge technology

Experience the world's latest medical technologies and products first-hand and strengthen your competitiveness.

04

Travel support for overseas buyers

Round-trip airfare and two hotel nights covered for overseas buyers invited by exhibitors.

05

Global networking & business expansion

A prime opportunity to find new partners and expand your global network.

06

Experience the beauty of Busan

Enjoy Busan's healing programs and attractions — work and relaxation at once.
